President- Nina Fishman:

We are the "Ed Fund". Our purpose is to raise funds for Class Size reduction. This year we funded 18 new class sections, making each class size smaller. Your funds directly influence your student.

We also fund Honor Roll. A Tiered system-

2-3 semesters of Honor Roll, students are acknowledged with a candy bar.

4-5 semesters of Honor Roll gets a Lamp of Learning Patch

6-7 Semesters gets a Graduation red Honor Cord to wear with cap and gown.

Also fund Cathy Haberl's salary, our College Counselor.

Classes and Testing is another arm of Boosters. SAT and ACT Prep Courses are offered at a very low rate through our funding.

Program: How to get yourself and your kids involved at MVHS

Tamara Munger we are 50K short for Spring Donations. Need 125 more people to donate \$395 which would only get us to 16 class sections- bare minimum! Please donate now.

Technology Fund is 15K- if we can donate this it will be triple matched- so even more important to get up to our goal.

Last Fall donations were up- Spring donations are the most important as that is what will be used for this school year. Otherwise Fall donations are rolled over to the year after. Any amount will help.
