

Mustang Families

Your contribution today supports your student's academic success!

Your annual contribution to **Monte Vista Academic Boosters** is critical to supporting academic excellence at Monte Vista High School. Whether you chose to contribute in the Fall, Spring or both, every family's contribution will fund the overall number of classes offered thereby reducing class sizes, optimizing the instructional environment for all learning types and continuing the robust academic programming at our school.

Monte Vista Academic Boosters, a parent-led education foundation, is focused on supporting all students at our school by helping to bridge the gap between state education funding and the depth and breadth of classes we want for our children. For more details about how contributions are used, please visit <https://mvacademicboosters.org>

Your contribution can be **DOUBLED** by **Corporate Matching**. Questions? matching@mvacademicboosters.org

Your contribution is greatly appreciated! Thank you for your support!

Monte Vista Academic Boosters is a parent-led nonprofit organization established to support academic excellence at Monte Vista High School. It is because of the generous donations made by our parent community during our Fall and Spring Campaigns, in addition to the Corporate Matching funds received, that we are able to accomplish our goals and support our Monte Vista students. Here is what we do:

<p>Support academic excellence by funding additional class sections. MV students have the opportunity to take courses that offer the breadth and depth in many subject areas including over 30 AP and Honors classes, band, choir, dance, theater, photography, and many more.</p>	<p>Fund additional hours for the Monte Vista College and Career Advisor to bring the position to a full-time status allowing for more hours to coordinate visits from college admission personnel and advise our students on their post-secondary options. Additionally, we work with the College and Career Advisor to co-sponsor the SRVUSD College Fair held every Fall.</p>
<p>Coordinate test prep opportunities through Classes and Testing Committee</p> <ul style="list-style-type: none"> ● AP practice tests ● SAT and ACT practice tests ● SAT and ACT boot camps ● College application essay writing <p>For current test prep offerings, check out http://mvacademicboosters.org/classes-and-testing.html</p>	<p>Host informational general meetings several times a year focusing on important topics. Past meeting topics include:</p> <ul style="list-style-type: none"> ● AP results at Monte Vista ● Course selection information ● Next steps in the college application process ● Current status of SAT/ACT testing ● Non-district course information ● MV's iQuest course and the internships available through that program
<p>Acknowledge students' achievements and hard work via our Honor Roll program. Honor roll certificates and candy are provided to students earning a 3.5 GPA each semester. Additionally, we provide eligible graduating seniors with the red braided Honor Cords worn during the graduation ceremony.</p>	<p>Award educational grants to provide additional resources to our students. In the past, the Administration has made requests for various educational grants to assist our faculty and students. We are proud that past projects have funded the following:</p> <ul style="list-style-type: none"> ● MacBooks for the Arts Program ● Forensic Science equipment ● Chromebooks and laptops (prior to the district's 1:1 tech policy)

Your contribution is greatly appreciated! Thank you for your support!
